## WORK EXPERIENCE

**07/2020 – CURRENT** – Barcelona, Spain

### Senior Product Manager

King Ltd.

- Collaborate with the Product Director in the creation of a product roadmap.
- Manage operational tasks for development of products and services.
- Coordinate a multidisciplinary (UX, Frontend, Client, Backend and QA) and crossfunctional development team under an agile environment.
- Gather requirements from key stakeholders and ensure maximum quality in the deliveries.
- Manage the communication and alignment across outsourced teams and other business areas of the company.

**06/2018 – 07/2020** – Barcelona, Spain

### Product Manager

King Ltd.

Barcelona, Spain

**02/2016 – 06/2018** – Barcelona, Spain

### Senior Agile Test Lead

King Ltd.

Barcelona, Spain

**12/2014 – 02/2016** – Barcelona, Spain

### Agile Test Lead

King Ltd.

- Assist the team in the adoption of BDD, Kanban and other agile testing methodologies.
- Identify defects in the requirements.
- Assist the scrum team with sprint planning, test design, test execution, defect analysis/root cause investigation & reporting on test status.
- Provide coaching to the scrum team where needed to ensure agile testing principles are applied.
- Help the scrum team to identify quality risks and issues throughout the sprint and recommend options to mitigate/remove.
- Contribute to the creation of a regression testing plan specific to the assigned project/tasks.
- Coordinate with the team the development of a test automation framework.
- Point of contact for other testing teams in King, as well as third party test providers.
- Share learnings and improvement ideas with the rest of King staff.

Barcelona, Spain

**03/2014 – 12/2014** – Stockholm, Sweden

### QA Analyst

King Ltd.

QA Analyst for the game Candy Crush Soda Saga.

#### Main Responsibilities:

- Work close to the programmers, understand their needs and support the verification of various developing features.
- Detect and isolate the repeatability steps of application errors.
- Run functionality tests and verify fixes on the testing versions.
- Acknowledge all technical features and particularities of devices used in the testing process.
- Contribute to the creation of checklists specific to the assigned project/tasks.
- Post a clear and accurate description of each bug found in the QA database.
- Share technical knowledge/potentially general bugs/improvement ideas with the rest of the testing team.
- Support the developing team with coherent and objective information
- Provide positive/negative feedback with regard to the quality of the application.
- Understand the gameplay mechanics of the tested application and relationships to the design and implementation of the game.
- Create testing scenarios specific to assigned tasks.
- Perform additional activities assigned by managers.

Stockholm, Sweden

**02/2013 – 02/2014 – Madrid, Spain**

#### QA Analyst

Tuenti Technologies S.L.

Tuenti is not just a social network with more than 15 million registered users, but also the first 2.0 telecommunications company with apps for almost every device/OS on the market: web, Android, iOS, Windows Phone, Windows 8, BlackBerry, Firefox OS and PSVita. Some of my responsibilities include:

- Feature analysis and specification with the product team. Risk assessment.
- Creation and execution of test plans for web browsers, mobile devices and handheld consoles.
- Report and track bugs. Verify fixes.
- Be the point of contact of product managers, developers, QAs and customers.
- Ensure the product is compliant with the requirements of 3rd party publishers (Microsoft, Apple).
- Provide support to increase the automated test coverage.
- Manage statistical data.

**08/2012 – 10/2012 – Madrid, Spain**

#### Certification tester

Electronic Arts (EA)

Execute test plans within the PC/Origin team, helping to ensure that all EA products, both software and documentation, meet all necessary EA and quality standards before release.

Games I have worked on during this period:

- The Sims 3: Supernatural (Expansion Pack)
- Battlefield 3 Armored Kill DLC
- Mass Effect 3 Leviathan DLC
- FIFA Soccer 13
- FIFA Manager 13
- Medal of Honor: Warfighter (PC and PS3 versions)
- Need for Speed: Most Wanted (2012)
- Crisis 3 Multiplayer Alpha

**10/2010 – 02/2012 – Zaragoza, Spain**

## ● SUAP Nurse

061 Aragón

**06/2008 – 08/2008** – Zaragoza, Spain

## ● Country Coordinator

Expo Zaragoza 2008

- Keep a permanent line of communication between the countries that took part on the Expo and the Expo's different sections/ services.
- Offer assistance both in Spanish and English in order to solve any problem or inquiry related to the pavilions, shows, maintenance, emergencies or legal issues.
- Be able to gather and manage data for statistical purposes.

Zaragoza, Spain
